

# DONATE TODAY TO BENEFIT THE TULSA ZOO'S HELMERICH SEA LION COVE

Thank you for considering a donation to the Zoo's newest exhibit! To show our gratitude, we are creating commemorative plaques for donors, that will be on permanent display at the exhibit. These plaques will be metallic "fish," to mimic the prey of wild sea lions. Sizes and types of "fish" will vary depending on your donation level.

All plaques will be displayed at the Hille Foundation Underwater Viewing Area of the exhibit, to be opened in March 2012.

An order form is on the back of this page. Dive in and support this great new exhibit!
