

SCOUT BADGE TOUR

Instruction Guide

- The Scout Badge Tour can be done by scheduling a tour through the Tulsa Zoo Education Department or on your own.
 - Our tours do offer a one-on-one experience for the scouts. We begin our tours by exploring the 5 vertebrate classes through the use of biofacts and hands-on activities.
 - To schedule call **918-669-6219**, we must have at least a 2-week notice.
- You can use the worksheet to complete most of the requirements for the badge.
 - The only part of the badge that cannot be completed at the Tulsa Zoo is the trash pick-up. That must be completed outside zoo property.
- You can complete this worksheet for your badge as one group, multiple groups or as individuals.
- You can also use the same animal for one of the vertebrate classes and as an S.S.P. animal.
- If you have any questions regarding the tour or the worksheet, please feel free to call 918-669-6219 for assistance.

HAVE FUN AND WE LOOK FORWARD TO
SEEING YOU AT THE TULSA ZOO AND
LIVING MUSEUM!

DON'T FORGET!

You need to register your scout group by calling
